## Budget cuts

Posted by Rachie - 2008/05/12 22:12

---

I'm wondering how the cuts are effecting everyone? In our district, they have cut 2 of our 19 music specialists. We will be taking the hit in our elementary ensembles. :(

Anyone else?

Yes, my district had to trim 3.5 million from the budget, and we only have 10 schools. We're losing 3 teachers, which of course will spread our classroom teachers around to even more schools. The district also approved cuts for music K-3 and 5th grade band. After all is said and done, the band will return and some of the 2-3 classroom music.

Hang in there! Any good advocacy ideas out there?
